Dear Mr. Beyer:

Enclosed are six documents that relate to the Carbondale historical markers that were installed in Carbondale by the PHMC:

1. "Historical Marker Installation Set," THE SCRANTON TIMES, September 17, 1982, p. 8

2. "Restoration Committee Fixes Damaged Marker," THE CARBONDALE NEWS, September 22, 1982, p. 13

3. "Set Rededication of Marker Today," THE TRIBUNE, September 25, 1982, p. 6

4. "Carbondale Man Chances Upon Long-Missing Historical Marker," THE SCRANTON TIMES, September 25, 1982, p. 9

5. Program of the ceremonies of the installation and dedication of a Carbondale historical marker on September 25, 1982

6. Press Release, dated October 1, 1982, entitled: "Historical Marker Dedicated"

I spoke with Donald Behney in Historic Site Maintenance this morning, and have given him all of the information on where the third Carbondale historical marker can be picked up and restored. The sign has been bent a little and will have to be repainted. A new pole will be required.
